NEWS FROM THE KITCHEN

Aspens New Newsletter

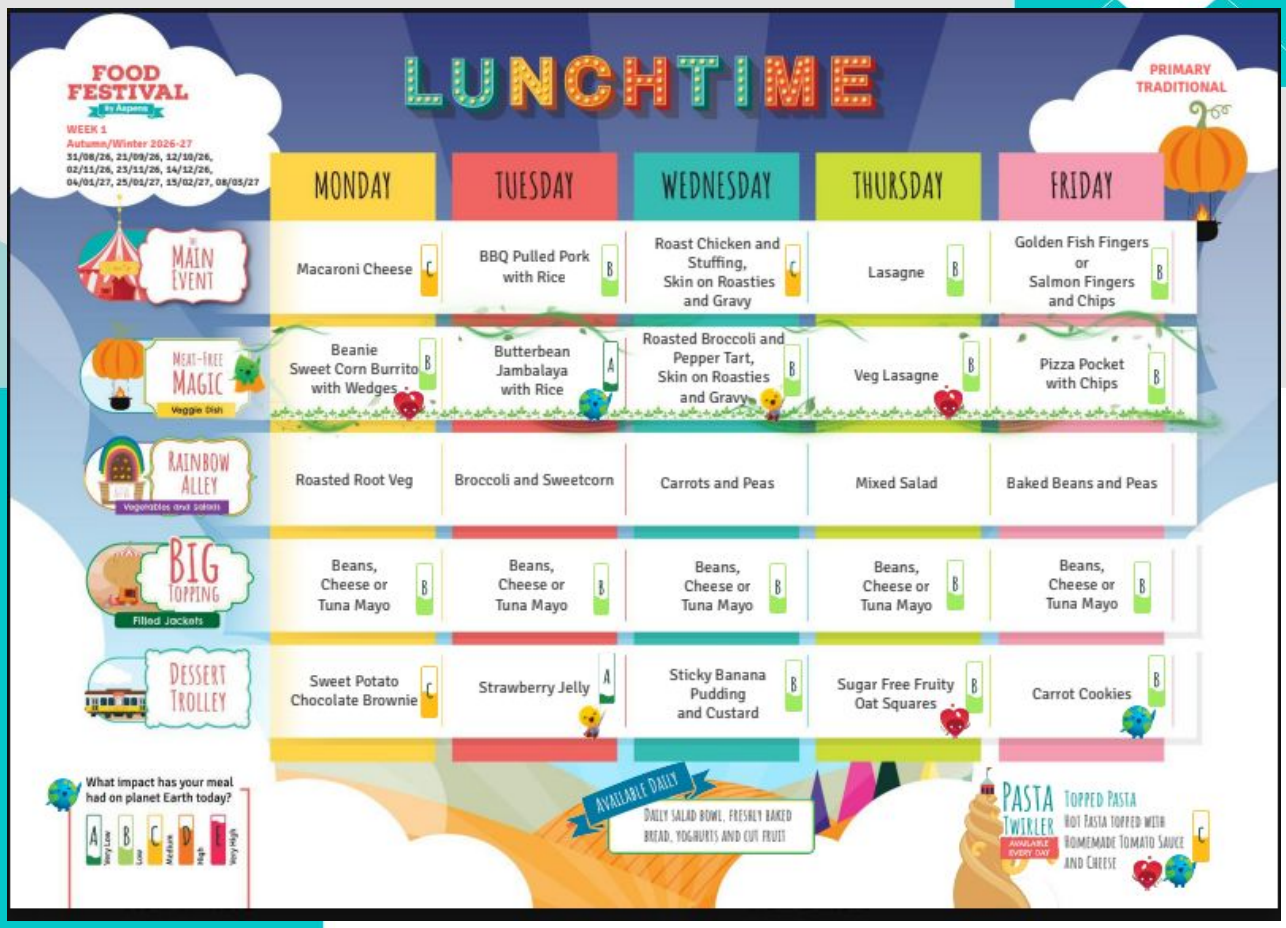
Special end of term edition

We are really excited to launch our new newsletter. Where you can view anything new and upcoming from Aspens. This could be Informational messages. News from the onsite kitchen team or our upcoming promotional events as well as factual information around our food and menus. Our aim is to keep you up to date with all the news.

Welcome to our new Newsletter, showcasing our team's hard work over the past term to support your children with fun activities, nutritional guidance, a safe environment and great food. See some pictures below.

ASPENS

SAMPLE OF POSSIBLE MENU



Our new Winter menu is coming soon, with a mix of Classic and modern popular choices, there's something for everyone. Did you know that as part of the meal they get dessert?

Children can continue to choose either the dessert of the day or enjoy yoghurt or fresh fruit,
We've continued to improve our desserts by **reducing sugar** and including **more fruit** and **vegetables**, while still making them feel like a treat.

Swift Kitchen

Let your child choose their favourite dish, so they get excited to try new items from our menu's. Our brilliant kitchen team are always happy to support.

We understand that sometimes life gets in the way and ordering food is the last thing on your mind, however please be aware that from September we will only be able to offer Pasta as their meal that day to support waste and sustainability by ensuring we don't overcook, please help us support the environment by ordering in advance and help us avoid an unhappy face at meal time Meals can be ordered in advance and you have the ability to cancel or change them if needed.
