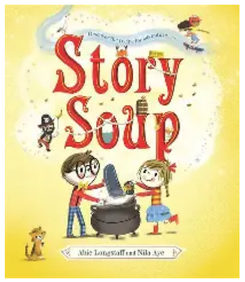
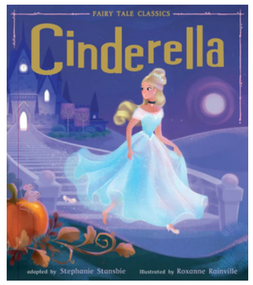
RECEPTION - AUTUMN 1

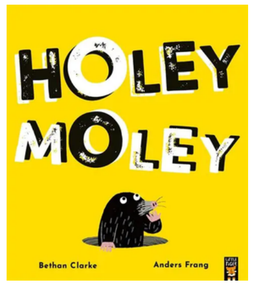
STONEHAM PARK PRIMARY ACADEMY
NURTURING CURIOSITY

LITERACY AND PHONICS

In phonics we will begin by playing lots of listening games. Focusing on good listening skills and tuning into sounds before swiftly progressing on to learning phase 2 sounds. We will be learning actions to support sound recognition and we will be listening for initial sounds. These are some of our focus key texts. We will focus on listening to stories and talking about them. and we will retell familiar and traditional tales.







MATHS

We will explore matching pictures and objects and vocalising similarities and differences. We will be sorting and comparing objects by colour. size and shape. We will then introduce skills such as subitising and will begin an in depth exploration into the numbers 1. 2. and 3.

CURRICULUM AND PROVISION

We will be focusing on the Prime Areas of learning. particularly communication and building relationships. This will come through our theme of familiar stories and fairy tales.
We will be exploring and retelling stories. We will be learning the importance of listening through sharing our favourite tales. We will be exploring our school environment and getting to know our new Stoneham Park school family and our school values.
We will read the story of Cinderella and discuss the characters. setting. problem and solution. of the story. This will start with a hook of pumpkins and an invitation and will culminate in our very own ball!

PE

We will introduce the routine of PE sessions and practice independent changing into and out of our PE kits and looking after our own belongings. We will use our PE sessions to begin our Kinetic Letters journey introducing the monkeys Bounce and Skip. learning the 5 animal poses and discussing how these will strengthen our bodies. We will then use large body movements - down bump. flick. push. pull. slide.

Reminder

Ensure you read the Weekly Roundup every week to keep on top of our learning journey and get any reminders or notices that we will include!
